

SK2

## Butt Hinge

 SK2-001

## Features

- Shaft can be adjusted
- Two holes assembling, two holes positioning, easy to operate
- Low profile with 180 degree opening angle

## Specification

- Material: Zinc Alloy (ZDC)
- Finish: Black Painted

## Application

- Large-scale chassis ; Oven ; Testing box;etc.

## Date of delivery

- Common product inquiry is welcome

## Remark

- Need to trepan holes for dowel pins when trepanning
- Pay attention to distinguish left and right types, please remark when purchasing

订货号 Item No.	重量(g) Weight(g)	承重力(kgs/2个) Weight Capacity(kgs/2pcs)
SK2-001L	20 588	50
SK2-001R	20 588	50

● Refers to the product instructed by RoHS ▲ Refers to the replaceable product instructed by RoHS

## Butt Hinge

 SK2-002

## Features

- Strong load bearing, suitable for the cam door
- Design with adjustable oblong holes of the hinge, suitable for different thickness door
- Low profile with 180 degree opening angle

## Specification

- Material: Zinc Alloy (ZDC)
- Finish: Black Painted/Bright Chrome Plated

## Application

- Oven; Temperature and humidity box; Automatic equipment;etc.

## Date of delivery

- Common product inquiry is welcome

订货号 Item No.	重量(g) Weight(g)	表面处理 Finish	承重力(kgs/2个) Weight Capacity(kgs/2pcs)

## Butt Hinge

 SK2-003-1

SK2

## Features

- Install with six oblong holes, easy to adjust and more tightly
- Stainless Steel cover, no marks after assembled
- Low profile with 135 degree opening angle
- Suitable for left and right side hinging

## Specification

- Material: Zinc Alloy(ZDC),Stainless Steel(SUS304)
- Finish: Bright Chrome Plated, Bright Polishing

## Application

- Chassis cabinet; Mini oven; Automatic equipment

## Date of delivery

- Common product inquiry is welcome

## Remark

- Please fix the screw tightly after adjusted position when installing

- Features**
- Low profile with 100 degree opening angle
  - Axial center oblong holes design, can slide a certain distance
  - Stainless Steel material, great corrosion resistance performance
  - Suitable for left and right side hinging
- Specification**
- Material: Stainless Steel (SUS304)
  - Finish: Wire-drawing Polishing
- Application**
- Vacuum box, With negative pressure inside the box
- Operation**
- When open, the door will move a certain distance, so that the pressure relief cabinets, and then fully open the door, so that can guarantee the security personnel to open the door
- Date of delivery**
- Common product inquiry is welcome

## Piano Hinge

SK2-034

[SK2-034]

### Features

- Different length, width and thickness can be chosen
- Overall smooth rotation, with hole and no hole two installation ways

- Stainless Steel material, great corrosion resistance performance

- Suitable for left and right side hinging

### Specification

- Material: Stainless Steel(SUS 304)
- Finish: Vibration Grinding

### Application

- Electric box, Electric cabinet, Mini cabinet

### Date of delivery

- Common product inquiry is welcome

### Remark

- The no hole type needs to be welded installation
- Aluminum alloy product can be customized

Built-in M5 screw, can be adjusted horizontally up to 8mm

订货号 Item No.	重量(g) Weight(g)	承重(kg/2个) Weight Capacity(kg/2pcs)
SK2-112-1	214	96

● Refers to the product instructed by RoHS ▲ Refers to the replaceable product instructed by RoHS

- Features**
- Low profile with 180 degree angle
  - Large and small side design, suitable for the requirements of door panel and the door frame
  - The large size can be adjusted laterally, adjust range:5-8mm
  - Suitable for left and right side hinging
- Specification**
- Material: Zinc Alloy (ZDC)
  - Finish: Black Painted
- Application**
- Automatic Equipment; All-sealed Equipment, Environmental Air-conditioning Equipment;etc.
- Date of delivery**
- Common product inquiry is welcome

## Butt Hinge

SK2-172S-1

- Features**
- Stainless Steel material, great corrosion resistance performance
  - Built-in bushing block, to prevent friction generated dust, light damping effect
  - Low profile with 180 degree opening angle
  - Suitable for left and right side hinging
- Specification**
- Material: Stainless Steel (SUS 304)
  - Finish: Bright Polishing
- Application**
- Marine ; Food and chemical machinery; Subway; Outdoor equipment such as base station antenna; Microwave communication; Automation equipment; etc.
- Date of delivery**
- Common product inquiry is welcome

订货号 Item No.	重量(g) Weight(g)	承重力(kgs/2个) Weight Capacity(kgs/2pcs)

● Refers to the product instructed by RoHS ▲ Refers to the replaceable product instructed by RoHS

## Butt Hinge

SK2-078

- Features**
- Low profile with 180 degree opening angle
  - Mini hinge, easy to install on door panel with small space
  - Suitable for left and right side hinging
- Specification**
- Material: Cold Rolled Sheet(SPPC)
  - Finish: Zinc Plated or Nickel Plated
- Application**
- Chassis cabinet, Automatic equipment, Mini cabinet
- Date of delivery**
- Common product inquiry is welcome

订货号 Item No.	表面处理 Finish	重量(g) Weight(g)	承重力(kgs/2个) Weight Capacity(kgs/2pcs)

## Butt Hinge

SK2-111

[SK2-111]

### Features

- Low profile with 180 degree opening angle
- Suitable for left and right side hinging

### Specification

- Material: Zinc Alloy (ZDC)
- Finish: Black Painted

### Application

- Electrical cabinet; Electrical box; Industrial equipment; etc.

### Date of delivery

- Common product inquiry is welcome

### Remark

- Need to disassemble the hinges when installing

## Butt Hinge

SK2-220T

[SK2-220T]

### Features

- Low profile with 270 degree opening angle
- Smooth opening and closing, small axial radial swing clearance

- The same dimension Torque Hinge is optional, product inquiry is welcome

- Suitable for left and right side hinging

### Specification

- Material: Zinc Alloy (ZDC)
- Finish: Black Electrophoresis

### Application

- Drink Dispenser; Medical Equipment; Commercial Kitchen Equipment; Industrial Equipment; etc.

### Date of delivery

- Common product inquiry is welcome

订货号 Item No.	重量(g) Weight(g)	承载力(kgs/2个) Weight Capacity(kgs/2pcs)

## Butt Hinge

SK2-6880S

### Features

- Low profile with 180 degree opening angle
- Pure Stainless Steel solid casting, strong load bearing performance
- Suitable for left and right side hinging

### Specification

- Material: Stainless Steel (SUS304)
- Finish: Bright Polishing or Wire-drawing Polishing

### Application

- Sanitation equipment, Special vehicle, Industrial cabinet

### Date of delivery

- Common product inquiry is welcome

### Remark

- SK2-6880S-LG No hole welded installation

订货号 Item No.	重量(g) Weight(g)	承重(kg/2个) Weight Capacity(kgs/2pcs)
SK2-8075X	20	60

● Refers to the product instructed by RoHS ▲ Refers to the replaceable product instructed by RoHS

## Butt Hinge

SK2-8076X

[SK2-8076X]

### Features

- Suitable for left and right side hinging
- Low profile with 180 degree opening angle
- Stainless Steel material, great corrosion resistance performance

### Specification

- Material: Stainless Steel(SUS316)
- Finish: Bright Polishing

### Application

- Marine; Food and chemical machinery; Subway; Outdoor equipment such as Base station antenna; Microwave communication; Automation equipment; etc.

### Date of delivery

- Common product inquiry is welcome

## 衬套铰链 Butt Hinge

SK2-1235

## 特点

- 最大开启角度180度
- 铰链轴心设计零间隙, 保证门板安装精度
- 铰链轴内置衬套, 防止摩擦产生粉尘, 静音和轻阻尼

规格 ● 材 质: 铝合金

● 表面处理: 阳极银色

用途 ● LED检测设备、半导体设备、自动化设备等

交货期 ● 常规产品... 敬请垂询

备注 ● 左右开门兼用

## Torque Hinge

## Torque calculation formula

$$F=M \times 9.80 \times L$$

**F:** Maximum torque

**M:** Weight of the lid (kg)

**L:** Distance from the shaft center to the lid center,  $L=D/2$

**Example:** If  $D=0.5\text{m}$ ,  $M=1\text{kg}$ ,  $L=0.25\text{m}$ ,  
so  $F=1 \times 9.80 \times 0.25=2.45(\text{N.m})$

Installation way: OI

Installation way: RI

## Position Control Hinge

SK2-007N

铰链系列  
SK2

[SK2-007N]

## Features

- With hinge cover, and no fastener marks after assembled
- Can limit to specific angle accurately

## Specification

- Material: POM or Nylon(PA)
- Finish: Black

## Application

- Network cabinet; Automatic equipment

## Date of delivery

- Common product inquiry is welcome

## Remark

- Stainless Steel limited shaft can be customized
- Standard and stock types included 115 degree limited and unlimited products

Heavy Duty Hinge

## Torque Hinge

SK2-220

[SK2-220B]  
Patent No.: ZL 2016 2 0928971.7

- Features**
- Holds in every position
  - Constant torque, no adjustment required
  - 20000 cycles within  $\pm 20\%$  of static torque specification
  - Suitable for left and right side hinging
- Specification**
- Material: Zinc Alloy (ZDC)
  - Finish: Black Electrophoresis
- Application**
- Medical equipment; Automatic equipment; Small cabinet that opens up and down; etc
- Date of delivery**
- Common product inquiry is welcome
- Remark**
- Within  $\pm 20\%$  of static torque specification
  - Make sure that all hinge axes have no deviation when installing

Installation way: OI

Installation way: RI

扭矩铰链扭力计算方式详情见213页 See page 213 for torque calculation method  
如: 选型号SK2-220B-10E-R1为内装型, SK2-220B-10E-OI为外装型

## Torque Hinge

SK2-NJ0006

[SK2-NJ0006L]

[SK2-NJ0006R]

- Features**
- Holds in every position
  - Low profile with 180 degree opening angle
- Specification**
- Material: Stainless Steel (SUS 304)
  - Finish: Vibration Grinding
- Application**
- Medical equipment; Automation equipment; Small cabinet with up and down cover; etc.
- Date of delivery**
- Common product inquiry is welcome
- Remark**
- Use with left and right type hinges together

## Torque Hinge

SK2-301

[SK2-301-1B]

### Features

- With 245 degrees and 270 degrees opening angle can be chosen
- Damping design, adjust damping by adjust center screw
- Suitable for left and right side hinging

### Specification

- Material: POM
- Finish: Black

### Application

- Canopy, Server cabinet, Electrical cabinet; etc.

### Date of delivery

- Common product inquiry is welcome

### Remark

- Operating temperature range from -5 to 65 degrees

订货号 Item No.	颜色 Color	开合角度(D) Opening angle(D)	额定负载扭矩(N·m) Rated load torque(N·m)	重量(g) Weight(g)	承重(kg/2个) Weight Capacity(kg/2pcs)
SK2-301-1B	2D	270	0-1	16	5
SK2-301-2B	2D	245	0-1	12	5

●: Refers to the product instructed by RoHS ▲: Refers to the replaceable product instructed by RoHS

## Torque Hinge

SK2-302

[SK2-302-1S]

[SK2-302-2S]

### Features

- Holds in every position
- Damping part adopting graphite pad, without metal powders and noise
- Change torque values by adjusting the nut
- Stainless Steel material, great corrosion resistance performance

### Specification

- Material: Stainless Steel (SUS304)
- Finish: Vibration Grinding

### Application

- Automation equipment, Industrial cabinet, Mini glass door; etc.

### Date of delivery

- Common product inquiry is welcome

### Remark

- Please do not put the lubricating oil in the damping section

订货号 Item No.	颜色 Color	开合角度(D) Opening angle(D)	额定负载扭矩(N·m) Rated load torque(N·m)	重量(g) Weight(g)	承重(kg/2个) Weight Capacity(kg/2pcs)

SK2-302-2S	2D	10	0-2	40	15

●: Refers to the product instructed by RoHS ▲: Refers to the replaceable product instructed by RoHS

## Torque Hinge

NEW SK2-NJ01

订货号 Item No.	2D	颜色 Color	扭矩值 Torque	承重能力(kgs/2个) Weight Capacity(kgs/2pcs)	重量(g) Weight(g)
SK2-NJ01-W025BK	2D	黑色 Black	25 <sup>±20%</sup> N.m (2.5 <sup>±20%</sup> kgf·cm)	5	7.6
SK2-NJ01-W025GY	2D	灰色 Grey	25 <sup>±20%</sup> N.m (2.5 <sup>±20%</sup> kgf·cm)	5	
SK2-NJ01-W050BK	2D	黑色 Black	50 <sup>±20%</sup> N.m (5.0 <sup>±20%</sup> kgf·cm)	5	
SK2-NJ01-W050GY	2D	灰色 Grey	50 <sup>±20%</sup> N.m (5.0 <sup>±20%</sup> kgf·cm)	5	

● Refers to the product instructed by RoHS ▲ Refers to the replaceable product instructed by RoHS

- Features**
- With torque value 0~1 N/m
- Specification**
- Material: POM
  - Finish: Grey and Black
- Application**
- Office equipment; Cabinet; etc.
- Date of delivery**
- Common product inquiry is welcome

## Torque Hinge

NEW SK2-8083S

订货号 Item No.	2D	承重能力(kgs/2个) Weight Capacity(kgs/2pcs)	重量(g) Weight(g)
SK2-8083S	2D	90	162

● Refers to the product instructed by RoHS ▲ Refers to the replaceable product instructed by RoHS

- Features**
- Holds in every position
  - Torque can be adjusted with Allen key
  - Stainless Steel material, great corrosion resistance performance
- Specification**
- Material: Stainless Steel (SUS304)
  - Finish: Wire-drawing Polishing
- Application**
- LED test equipment; Semiconductor equipment; Automation equipment; etc.
- Date of delivery**
- Common product inquiry is welcome

## Concealed Hinge

RoHS SK2-008-1

- Features**
- Rotation divided into two parts, successively open
  - Installed in a hidden way
- Specification**
- Material: Zinc Alloy(ZDC)
  - Finish: Black Painted
- Application**
- Chassis and cabinet; Network cabinet, Automatic equipment
- Date of delivery**
- Common product inquiry is welcome

订货号 Item No.	2D	重量(g) Weight(g)	承重能力(kgs/2个) Weight Capacity(kgs/2pcs)
SK2-008-1	2D	160	15

● Refers to the product instructed by RoHS ▲ Refers to the replaceable product instructed by RoHS

## Concealed Hinge

RoHS SK2-008-2

- Features**
- Rotation divided into two parts, successively open
  - Installed in a hidden way
- Specification**
- Material: Zinc Alloy(ZDC)
  - Finish: Black Painted
- Application**
- Chassis and cabinet; Network cabinet, Automatic equipment
- Date of delivery**
- Common product inquiry is welcome

订货号 Item No.	2D	重量(g) Weight(g)	承重能力(kgs/2个) Weight Capacity(kgs/2pcs)
SK2-008-2	2D	181	15

● Refers to the product instructed by RoHS ▲ Refers to the replaceable product instructed by RoHS

## Concealed Hinge

SK2-036

[SK2-036]

### Features

- Large and small side design
  - Concealed hinge, installed from inside of the board, Detachable
  - Stainless Steel material, great corrosion resistance performance
  - Suitable for left and right side hinging
- ### Specification
- Material: Stainless Steel(SUS304)
  - Finish: Vibration Grinding
- ### Application
- Chassis cabinet, Network cabinet, Automation equipment
- ### Date of delivery
- Common product inquiry is welcome

订货号 Item No.	重量(g) Weight(g)	承重力(kgs/2个) Weight Capacity(kgs/2pcs)
SK2-036	20	107
		25

● Refers to the product instructed by RoHS ▲ Refers to the replaceable product instructed by RoHS

## Concealed Hinge

SK2-038

[SK2-038]

[SK2-038]

[SK2-048]

### Features

- Large and small side design
  - Concealed hinge, installed from inside of the board
  - Stainless Steel material, great corrosion resistance performance
  - Suitable for left and right side hinging
- ### Specification
- Material: Stainless Steel(SUS304)
  - Finish: Vibration Grinding
- ### Application
- Electric box, Electric cabinet, Mini cabinet
- ### Date of delivery
- Common product inquiry is welcome
- ### Remark
- Please use M6 screws or welded when installing

订货号 Item No.	重量(g) Weight(g)	承重力(kgs/2个) Weight Capacity(kgs/2pcs)
SK2-038	20	78
SK2-048	20	165
		25

SK2-039A	冷轧板 Cold Rolled Sheet	镀锌 Zinc Plated	79	25
SK2-039S	不锈钢 Stainless Steel	振动研磨 Vibration Grinding	77	25

● Refers to the product instructed by RoHS ▲ Refers to the replaceable product instructed by RoHS

### Features

- Concealed hinge, installed from inside of the board
  - Suitable for left and right side hinging
- ### Specification
- Material: Stainless Steel(SUS304) or Cold Rolled Sheet(SPCC)
  - Finish: Vibration Grinding/Zinc Plated
- ### Application
- Chassis cabinet, Network cabinet, Automation equipment
- ### Date of delivery
- Common product inquiry is welcome
- ### Remark
- Please use M6 screws or welded when installing

## Concealed Hinge

SK2-039-1

[SK2-039-1]

### Features

- No hole welded installation
  - Concealed hinge, installed from inside of the board
  - Stainless Steel material, great corrosion resistance performance
  - Suitable for left and right side hinging
- ### Specification
- Material: Stainless Steel(SUS304)
  - Finish: Vibration Grinding
- ### Application
- Chassis cabinet; Automation equipment; Medical equipment; etc.
- ### Date of delivery
- Common product inquiry is welcome

## Concealed Hinge

SK2-048-4

### Features

- Suitable for left and right side hinging
- Two parts forming 90 degree angle at normality
- Can be bended as required size
- No hole welded installation
- Concealed hinge, installed from inside of the board

### Specification

- Material: Cold Rolled Sheet (SPCC)
- Finish: Zinc Plated

### Application

- Chassis cabinet, Electric box

### Date of delivery

- Common product inquiry is welcome

### Remark

- Stainless steel product can be customized

● Refers to the product instructed by RoHS ▲ Refers to the replaceable product instructed by RoHS

## Exposed Hinge

CAD SK2-023B

### Features

- Low profile with 120 degree opening angle
- Suitable for left and right side hinging

### Specification

- Material: Zinc Alloy (ZDC)
- Finish: Black Painted

### Application

- Chassis and cabinet; Automatic equipment; Mini industrial equipment

### Date of delivery

- Common product inquiry is welcome

订货号 Item No.	重量(g) Weight(g)	承重力(kgs/2个) Weight Capacity(kgs/2pcs)
SK2-023B	44	18

● Refers to the product instructed by RoHS ▲ Refers to the replaceable product instructed by RoHS

## Exposed Hinge

CAD SK2-025

### Features

- Low profile with 180 degree opening angle
- Different specifications and finish can be chosen

### Specification

- Material: Zinc Alloy (ZDC)
- Finish: Black Painted or Bright Chrome Plated

### Application

- Application: Electric box, Server cabinet, Mini cabinet

### Date of delivery

- Common product inquiry is welcome

### Remark

- Screw need be installed from inside board

订货号 Item No.		L1	L2	L3	L4	H1	M	重量(g) Weight(g)	承重力(kgs/2个) Weight Capacity(kgs/2pcs)

## Heavy Duty Hinge

SK2-720

[SK2-720]

Patent No.: ZL 2012 2 0086887.7

### Features

- For the structural design of durability making the product more solid
- Installation position of the door can be adjusted to suitable for different sealing thickness
- Suitable for left and right side hinging
- Low profile with 180degree opening angle

### Specification

- Material: Stainless Steel (SUS304)

- Finish: Bright Polishing

### Application

- Building freezer, Environmental testing box, Ship

### Date of delivery

- Common product inquiry is welcome

### Remark

- Please hold the door when adjusting hinges, under non-weight bearing state(screws may break under weight-bearing state)

订货号 Item No.	重量(g) Weight(g)	承重力(kgs/2个) Weight Capacity(kgs/2pcs)
SK2-720	20	944
		150

● Refers to the product instructed by RoHS ▲ Refers to the replaceable product instructed by RoHS

## Heavy Duty Hinge

SK2-721S

[SK2-721S]

### Features

- Stainless Steel material, great corrosion resistance performance
- Installation position of the door can be adjusted to suitable for different sealing thickness
- Suitable for left and right side hinging
- Low profile with 180degree opening angle

### Specification

- Material: Stainless Steel (SUS304)

- Finish: Bright Polishing

### Application

- Cold storage freezer; Environmental testing box; Marine; etc

### Date of delivery

- Common product inquiry is welcome

订货号 Item No.	重量(g) Weight(g)	承重力(kgs/2个) Weight Capacity(kgs/2pcs)
SK2-721S	20	580
		60

● Refers to the product instructed by RoHS ▲ Refers to the replaceable product instructed by RoHS

## Heavy Duty Hinge

SK2-724

[SK2-724]

### Features

- For the structural design of durability making the product more solid
- Installation position of the door can be adjusted to suitable for different sealing thickness
- The door lifts as it open the door
- Low profile with 180degree opening angle

### Specification

- Material: Stainless Steel (SUS304)
- Finish: Bright Polishing

### Application

- Large cold storage freezer; Walk-in chamber; Large industrial cabinet

### Date of delivery

- Common products inquiry is welcome

### Remark

- Pay attention to distinguish left and right types, please remark when purchasing

Heavy Duty Hinge

[SK2-043L]

[SK2-043SL]

### Features

- Detachable hinge, easy and quick to install
- Low profile with 180 degree opening angle

### Specification

- Material: Cold Rolled Sheet (SPCC) or Stainless Steel (SUS304)
- Finish: Black Painted or Vibration Grinding

### Application

- Chassis cabinet, Electric box, Electric cabinet

### Date of delivery

- Common product inquiry is welcome

### Remark

- Pay attention to distinguish left and right types, please remark when purchasing

## Detachable Hinge

SK2-062

[SK2-062]

[SK2-062S]

### Features

- Built-in semi-circular adjustable block, adjustable for the compression force of the door
- Detachable hinge, suitable for left and right side opening

### Specification

- Material: Zinc Alloy (ZDC), Stainless Steel (SUS304)
- Finish: Black Painted/Wire-drawing Polishing

### Application

- Chassis cabinet, Automatic equipment, industrial cabinet

### Date of delivery

- Common product inquiry is welcome

### Remark

- Please use SHCS when installing

订货号 Item No.	材质 Material	表面处理 Finish	重量(g) Weight(g)	承重能力(kgs/2个) Weight Capacity(kgs/2pcs)

## Spring Hinge

手操作 GAD SK2-049

### Features

- Pure Stainless steel, three types can be chosen
  - Two parts forming 90 degree angle at normality
  - Hinge with strong rebound performance
- Specification**
- Material: Stainless Steel (SUS304) or Cold Rolled Sheet (SPCC)
- Finish:** Vibration Grinding or Zinc Plated
- Application**
- Chassis cabinet, Electric box, Self-closing door
- Date of delivery**
- Common product inquiry is welcome
- Remark**
- Standard and stock product is stainless steel

订货号 Item No.	重量(g) Weight(g)	承重(kg/2个) Weight Capacity(kg/2pcs)

## 拆卸铰链 Detachable Hinge

GAD SK2-716

### Features

- Low profile with 180 degree opening angle
- For the structural design of durability, better loading performance

- Detachable hinge, With nylon gasket, smoothly action

### Specification

- Material: Zinc Alloy (ZDC), Stainless Steel(SUS304)
- Finish: Bright Chrome Plated, Bright Polishing

### Application

- Freezer, General cabinet door, Other large box

### Date of delivery

- Common product inquiry is welcome

### Remark

- Suitable for left and right side hinging
